Hello Alex:

Thank you for the update. Is the buyer solid? I appreciate you letting us know about your transaction deadline.

Here is my update:

- One of my colleagues, Nathan Dadap, is helping me with some elements of the Pechiney project.
- Nathan is reviewing Pechiney's multi-volume cleanup completion report in reference to the PCB remediation only.
- I have reviewed the Soil Management Plan that Pechiney had submitted earlier and that plan will likely need to be revised to reflect the earlier discussions that we had on that subject during the last two calls in which I participated.
- Week of May 4th:
 - I will have a better idea of the timing to complete our review of the report and drafting of a cleanup acknowledgement letter to Pechiney.
 - I will also be discussing my comments on the Soil Management Plan with Nathan before the comments are sent to Pechiney.

If you have questions concerning this update, please call me.

Thank you for your courtesies and have a great weekend.

Sincerely,
Carmen

Subject: Pechiney Soil Management Plan Update

Hi Carmen,

Hope all is well!

I was wondering if I could get an update on your review of the Soil Management Plan for the Pechiney property. I know there were other reports you were reviewing and I just wanted to make sure you got all the documents you need. Also I wanted to let you know that the City has a buyer for our portion of the property and we have a closing date of June 11, 2015. Please let me know if you have questions.

Thanks,

Alex
